

Emsworth's First

British Beer and Cider Festival

Friday 30th September to Sunday 2nd October
Emsworth Community Centre, Church Path

Enjoy up to 30 great British beers, both local and from further afield, along with some astonishingly good English wines and cider at Emsworth's first ever Beer and Cider Festival.

The opportunity to meet some of the brewers behind the beers at "Meet the Brewer sessions", sample some locally produced foods as well as enjoying live music on The Flash DAB Radio Stage, including Mike Handley and the Bone Idols on the Saturday evening, promise to make this one of the livelier events of the Food Fortnight.

Organised by WemsFest as part of Emsworth Great British Food Fortnight.
