The 2nd Emsworth Beer & Cider Festival

Part of the British Food Fortnight

Emsworth Community Centre, North Street PO10 7DD

We don't select the ales until after the Great British Beer Festival is held in August because we want to bring some of the Class Winners to Emsworth. Rest assured that over 30 different ales will be available as we strive to maintain the mantle of 'Best Beer Festival in Hampshire'.

In addition we're personally returning to Somerset to collect a wide range of handpicked Ciders, and we have a special feature on the rapidly emerging excellent microbrewery ales from Spain. In future years we'll endeavour to have a 'country focus' as part of this Festival. Jake's celebrated Pork Pies, and Sue Treagust's Scotch Eggs will be available

£10.00 Tickets include a special commemorative glass, drink tokens, programme, and live music (evening sessions). Our friends from Flash DAB+ Radio will be present on Saturday afternoon.

On Friday there's a special 'Premium Hour' from 5-6pm when a limited number of 30 tickets are available and you can try all of the available cask-ales. These Premium tickets are only available from 'wemsfest@btinternet.com' or 07802 5000 50

Barrel Sponsorship Available:

You, or your business, could sponsor a barrel for as little as £100 and receive the equivalent value in tickets, contact Mark Ringwood on 07802 5000 50 for further details.
