## Recycling around the Christmas tree...

Have a happy holiday!

After the presents are unwrapped and the food is eaten, the Christmas holidays often leave us with a lot of rubbish – or is it recycling?

Here's a guide to making sure it all ends up in the right place.

**Boxes**  
Fold down boxes to ensure they fit in your recycling bin - pizza boxes must go into your rubbish bin.

**Bottles up**  
Milk, squash or fizzy drink bottles (and lids) can be put into your recycling bin. Glass bottles can be taken to your nearest bottle bank.

**Tree-mendous**  
Real Christmas trees can be cut down and put into your garden waste bin, or you can take your tree to a Household Waste Recycling Centre if you book a time slot.

**Paper**  
Avoid shiny, glossy or laminated wrapping - this cannot be recycled.

**Think beyond the kitchen**  
Other items around your house, such as clean and empty shampoo bottles, empty toilet rolls and aerosols can be recycled.

**Don't be fooled by the recycling triangle**  
Not all items that have this symbol are recyclable in Hampshire. So, if an item or bag says "please recycle" it doesn't mean it can go in your recycling bin.
