

Emsworth *Apple Day*

Saturday 23rd September, St. Peter's Square, 10am – 1pm

Come and be part of Emsworth's community apple juice pressing!

Emsworth Apple Day is a real community event and a wonderful excuse to celebrate the glorious English Apple and its Orchards.

Everyone is invited to bring as many apples as they can from their gardens to St. Peter's Square where the apples will be pressed using the village's very own apple press and made into 'Emsworth Apple Presse' 2017, which will be available to take up home that day!

'Emsworth Presse 2017' will be free of charge but a small donation to charity would be most welcome.

Pupils at our local primary schools have taken part in a competition to design the label for this years 'Apple Presse' and the winning design will be unveiled on the day. Entries will be displayed during the fortnight.

"Be part of something, be part of something really pressing..."

HOW TO GET INVOLVED

- Bring your apples to St. Peter's Square between 10am – 1pm
- Please bring the best quality apples you have
- Don't bring windfall fruit unless its undamaged and clean

Emsworth Apple Day is supported by
