

OYSTER BOAT *Terror*

Taking a trip on *Terror* is memorable – an unforgettable experience

Oyster Boat *Terror* is a beautifully restored 125 year-old sailing boat, used exclusively for the enjoyment of paying guests, their families and friends.

A memorable trip on board *Terror* lasts for around two hours, visiting the most beautiful parts of Emsworth Harbour. The little inlets that wind right down to Langstone and out in the channel leading to the Solent. The hustle of other boats and the serenity of the wildlife. It's mesmerising.

Call Emsworth Yacht Harbour on +44 (0)1243 377727 and ask for *Terror* bookings or visit www.oysterboatterror.org.uk to find out more.
