

What do you think?

The map shows the area around where you live that is proposed for a 20mph speed limit. We'd like your views on this proposal.

How do you feel about having a 20mph speed limit in your area?

Good idea and support it	
Not a good idea for where I live and do not support	

To what extent do you feel traffic speed is a problem in your area in terms of.....

	Severe Problem			Not a Problem	
	1	2	3	4	5
Safety					
Quality of Life					
Noise / Pollution					

If residents do support a 20mph limit, we will plan a campaign to make people aware the change. If you you are willing to take part in such a campaign, which of the following would you be in receiving?

	Yes	Not Interested
Wheelie Bin Stickers		
Window/Car Stickers		
Posters		
Any other suggestions		

If the 20mph limit goes ahead and traffic speed becomes a concern, a community speed watch programme would be set up which would require community volunteers. Would you be prepared to take part?

Yes	
No	

To ensure that only residents in your area have taken part, please give the following details, so we can keep you updated:
