Crime Prevention Advice – Shed Security

Place all tools and garden equipment in locked sheds and garages.

Secure more expensive items, e.g. mowers, bikes to an anchor point within the shed or garage.

Mark all items with postcode and record serial numbers. e.g. UV pens or forensic marking kits. Register the details for free on www.immobilise.com

Take photographs of items such as statues and garden furniture if they are unusual, for easy identification at a later date.

Fit a shed alarm.

Keep the structure in good repair.

Consider covering windows with curtains to obscure the view of the contents.

Consider external lighting.

Ensure the garden fences are in good repair between neighbours to prevent unlawful access.

Ensure side gates are locked to prevent access to the rear of the property.
