

Havant Heritage Festival 2026

Architecture of Langstone Tour

11th September 2026

Heritage Events

heritage open days

13:45 Meet your guide in the Car Park at The Ship

Langstone is not only a beautiful harbour and was once a very busy fishing port exporting wood from the Forest of Beare to the Isle of Wight, but it is also architecturally fascinating. Join Ann, who has published a booklet on the village and Jeremy, a local architect, to explore this lovely little harbour.

14:30 Talk about Langstone Architecture and Design

Given by Jeremy Sayer BA Dip Arch RIBA
Director PWP Architects
