## Welcome to the Emsworth Arts Trail 2022

We are thrilled to welcome you to the 21st Emsworth Arts Trail. It's lovely to have the Trail back in the Spring with 85 participants looking forward to meeting you in their own homes, studios and community spaces. Artists and makers are also displaying taster exhibitions in Emsworth businesses bringing the excitement of the Trail to the very heart of the town.

The majority of venues are located within a mile of the centre so why not make a family day out by walking or cycling around this picturesque seaside town? With such a wide variety, from painters to jewellers, photographers to ceramicists and much, much more, there really is something to interest everyone.

It will be great to welcome back our many return visitors and of course wonderful to meet many first time visitors to what we think will be a fresh and exciting Trail for 2022.

Very best wishes,
