

Southbourne Free Church

founded in a barn in Prinsted in 1855, a Tin Tabernacle was brought from Portsmouth and re-assembled in the Drive and the first service held there on 26th March 1908.
In 1975 the building was completely restructured and refurbished inside and out.

In 2019 the church and adjoining hall were decorated and the front updated to provide a new glazed porch and disabled access.

Sunday Services have been held for 170 years. All are welcome.
